

L+M

dinner with Bunker, 9 Dec. 69

10 Dec 68

After discussion with Cham, L+M went to Sheehy; who said he was not aware of C's contacts with CIA over the years or that C had kept CIA informed of the case. Said we'd look into it. He did not think the gov would be able to obtain enough votes to lift C's immunity.

S. said of B's statement C was a Comm:

"I am surprised that the Ambass would say that; we have been over the case very carefully, and I do not believe that C is a Comm."

L+M urged S in strongest terms to follow case carefully: CIA, Embassy + USG would be embarrassed if C made public the history of his liaison with the Agency - regard to his brother.

That evening, Samoyest confirmed C's assertion that he had kept the Americans, including CIA, fully informed of his contacts. He was on, Van another.

Tuyen:

- 1) petition illegal - only a vote
- 2) Petition before Supreme Court.
- 3) Truong Hoa Ky Sand - name forged
Nguyen Huu Thoi - would withdraw
his name.
